# THIS IS OUR HISTORY

[ 1923 ]

Albert Messmer develops one of the first football cleats in the world. With his brother Michael Ludwig Messmer, he founds the company Messmer & Co., that will go on to become known as hummel.

[ 1956 ]

The visionary Bernhard Weckenbrock takes over the company. He creates a comprehensive brand identity and introduces the chevrons.

[ 1969 ]

The first sportswear collection is launched. Sponsorships are signed and help boost sales. A rounder version of the bumblebee than the current one is created.

[ 1968 ]

The first sponsorship deal is signed. The deal is with Duisburg, a team playing in the 2nd German Bundesliga.

[ 1970 ]

hummel is introduced to the Northern European market.

[ 1979 ]

hummel signs a sponsorship deal with the Danish national team for the first time – a deal that lasts until 2004.

[ 1988 ]

hummel signs a sponsorship deal with Real Madrid and the club's biggest star, Emilio Butragueño. The deal makes hummel products even more popular.

1999

hummel gets a new owner – Thornica. Christian Stadil becomes part of the brand history. He launches a reintroduced, original sport style collection on the fashion market and hummel becomes a trendsetting sports apparel brand.

1992

It's a surprising win, to say the least. The Danish national team takes the title at the European Championships having played Germany in the final.

2020

In 2020 hummel team up with the historic football club Everton FC and return to the Premier League after 13 years of absence. The chevrons are back on the biggest football stage again!

2019

In 2019, hummel substantiates its status as an original handball brand by signing the German handball club, THW Kiel – unarguably one of the biggest clubs in the World.

2016

After many years hummel once again sponsors a team in the German Bundesliga. SC Freiburg plays a sensational first season after returning to the first league and qualifies for international competition.

1923  
100 YEARS IN SPORT

In 2023, we will celebrate a century of hummel – marking 100 years of proud heritage in the world of sports.
