Founded in 1910, Samsonite is the world's leading luggage organization and has built up an impressive legacy of pioneering travel solutions. Kamiliant comes from an organization that has world's leading brands like Samsonite and American Tourister.

Samsonite & American Tourister, with its legacy of over 114 years, continue to lead the industry, offering innovative solutions to meet the evolving needs of the modern traveler with its extensive range of quality products, under quality brands. One such brand, is **Kamiliant** – a luggage that is tough enough to take care of your belongings and designed to stand out from the crowd.

Kamiliant was developed in 2014, to make travel smart and easy. **All Kamiliant suitcases are thoughtfully designed to be sturdy, secure, and mobile.** From the SafePlux™ Anti-Theft Zipper to the most lightweight PP luggage, along with a whole collection of travel-savvy features, all you need to do is to decide on a destination. **The brand's philosophy is to offer luggage which is tough, reliable and affordable, to take care of the travellers as they explore the world.** On top of all these exciting features, our products also offer a worldwide, limited three-year warranty, available in over 100 countries, so taking your unique flair on your travel journey can be as hassle-free as ever.
