## PACKING CUBE

Compressa digests without a burp. It takes you to the next orbit of packing efficiently. Not just packing efficiently, but getting organized and staying organized throughout your trip.

Compressa engulfs your stack of clothes and squeezes all the air in them so you can carry at least 30% more! After all, who needs to pack air? Moreover, the Compressa keeps you organized throughout your travel. Compressa keeps your clothes in place like a portable almirah, all you have to do is release the compression and hang it.

And there you have your clothes neatly stacked in your almirah! Don't dig through your luggage for your favorite tshirt ever again!

Compressa also fits your cabin trolley luggage so you carry more in those specified airline dimensions, without breaking a sweat!
