

HÄFELE

Maximising
the value of space.
Together.

SMALL DOMESTIC APPLIANCES

Maximising the value of space. Together.

Hafele's history is a story of consistent movement from furniture to the door into the room. Our path has led from functionality to atmosphere and connectivity and on to a sustainable view of the customer process – from product development to after sales support. In addition to our dynamic entrepreneurial spirit, this passion for meeting customer needs has been an essential part of our DNA since the foundation of the company by Adolf Hafele. And that is what we want to continue to strengthen in the future.

Hafele's brand purpose, 'Maximising the value of space. Together,' serves as a guiding compass, leading us in crafting holistic and sustainable environments for our customers where they can enjoy the multiplied benefits of their living and working spaces.

Our purpose has 4 dimensions – **Functional, Intelligent, Atmospheric and Organised.**

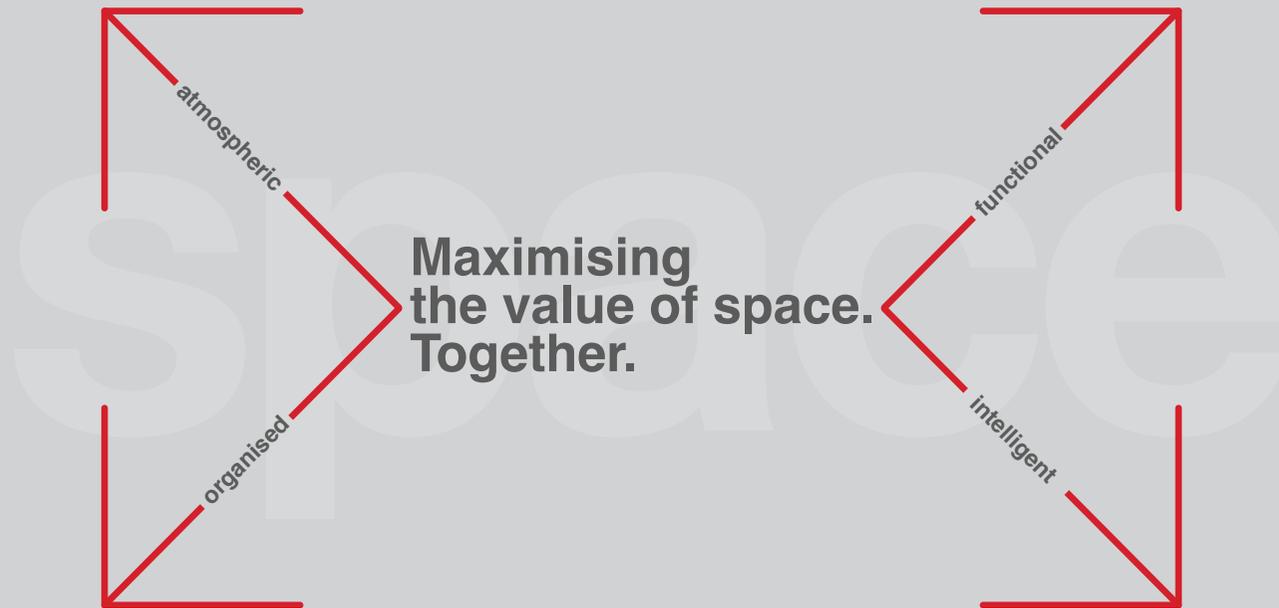

HÄFELE

Atmospheric:

When we move around in rooms, we experience the functions and the technology, and emotions are invoked as well. These have to do with well-being and orientation, qualities that we often perceive on an unconscious level. That's why we have been working with the topic of light to create a unique selling point in the market with the systematic combination of furniture and room lighting – which also improves the quality of the atmosphere in the room, no matter whether the space is designed for living or working.

Functional:

This has been the core of our business for a hundred years now. But it's about more than just opening or closing furniture. It's about more convenience for the user, it's about flexibility and multi-functionality, it's about reliability, quality and longevity, it's about making ideas possible and it's about inspiration for our customers.

Organised:

We not only take care of products and solutions, but also our customers' processes. No matter whether they have to do with the manufacture of furniture or with the development for project business. We want to provide our customers with tangible added value by helping them achieve goals easier, faster, safer, and more efficiently. For instance, we can do this with customised planning services or specialized installation services for our customers.

Intelligent:

Homes are becoming intelligent and so are our range of products and services. Thanks to our smart appliances and digital security solutions, the components in the room can be controlled easily and conveniently and can also be connected with other smart systems as needed. We strive to be an innovative player in the digital world of today and tomorrow.

We asked ourselves two questions.
WHO are we? And **WHY** are we the way we are?

And we found **ONE ANSWER!**

We are attentive & determined!

Attentive to the needs of our customers and...
Determined to constantly better things that matter to them.

Innovative. Intuitive. Intelligent.

We listen to the smallest needs our customers may have and challenge ourselves to fulfil them.

Form. Function. Focus.

We are wired to think practically, design aesthetically, perform efficiently and pay attention to details.

Curious. Creative. Conscious.

We are a 100-year-old organization, driven by a young mindset and out-of-the-box ideas. We respect our environment, our people, our stakeholders and above all our customers; and so, we believe in a single charter - make it better.

Simple. Smart. Solution.

We are the friend that cares about the things that matter to our customers – big or small.
We are the catalyst that transforms their spaces into functional, organised, atmospheric and intelligent homes.
We are the partner that brings it all together!

We are **Hafele!**

HÄFELE

**Maximising
the value of space.
Together.**

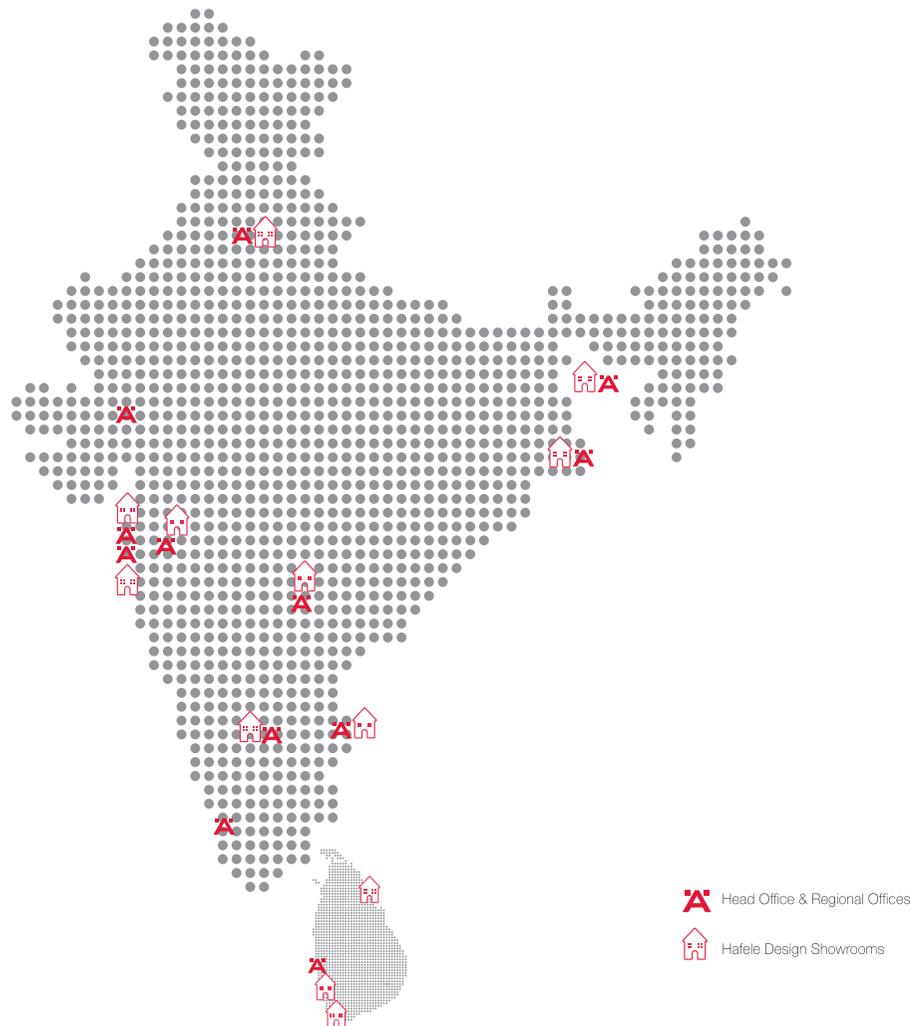

Hafele Worldwide

With its origin in 1923 in a small town named 'Nagold' from the Swabian region of Germany that nurses a passion for hardware technology, it is no surprise that Hafele has lived up to its roots through a successful presence in the architectural and furniture hardware industry for over 10 decades now. Today, Hafele's worldwide penetration includes 38 subsidiaries across Europe, America, Asia, Australia and New Zealand. With these subsidiaries and numerous other sales organisations, Hafele operates in over 150 countries. The Hafele headquarters, 4 manufacturing units and 10 sales offices are located within Germany; while 1 manufacturing unit is located at Budapest, Hungary. The company also owns one of the largest and most sophisticated warehouses in its home country. The Hafele worldwide workforce is empowered by a base of over 8100 employees.

The group services over 150,000 customers across the globe through its extensive range of hardware products and a comprehensive logistics system. In addition to this, Hafele also provides consultative services to its customers, educating and advising them about buying the correct hardware as per their requirements. With this level of market penetration and ability to handle worldwide demand, it comes as no surprise that the company is an authority in the segment of home interior solutions; what is pleasantly surprising, though, is that in spite of its size, Hafele still remains a family owned and run business with a unique, friendly and value-centric work culture which is strongly followed among all its subsidiaries.

Hafele India

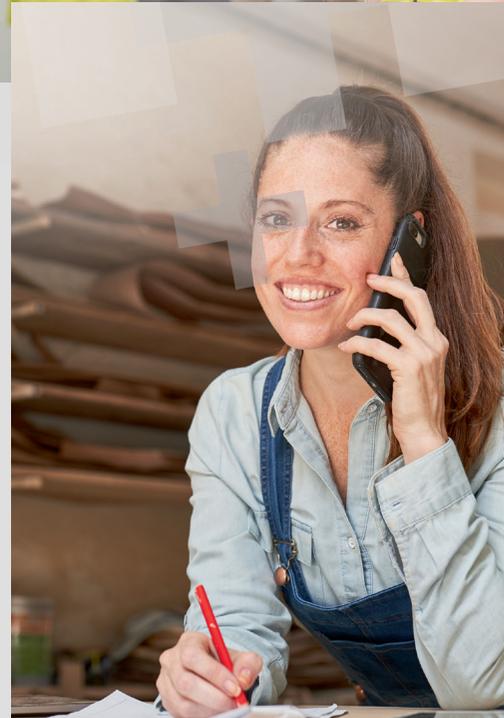

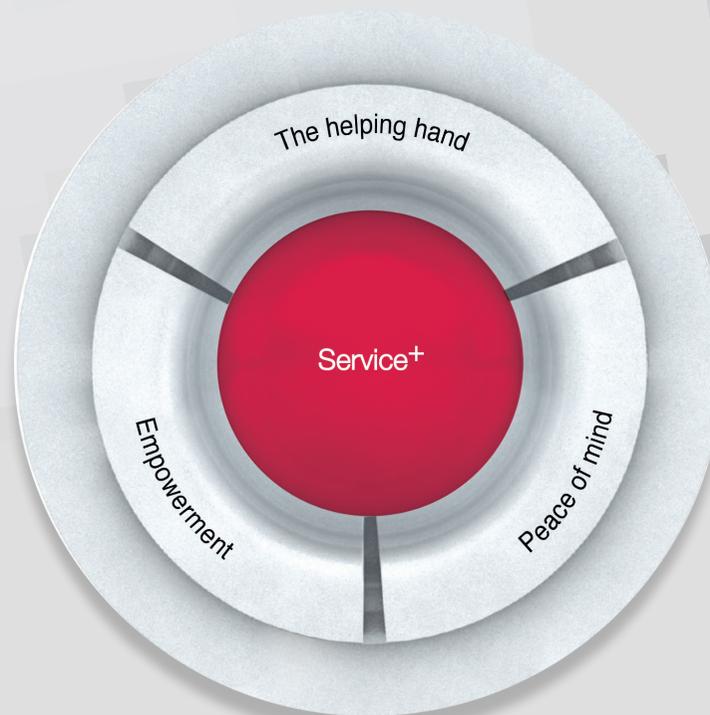

Hafele India is a wholly-owned subsidiary of the Hafele Global network and has been operating in India since 2003. The ability of the company to understand the diverse Indian market has made it an authority in the field of architectural hardware, furniture and kitchen fittings and accessories. The company also has a strong presence in synergized product categories namely Home Appliances, Interior Lighting, Water Solutions and Surfaces catering to the focused demand from these industries.

The subsidiary has a strong nation-wide presence with offices in Mumbai, Pune, Ahmedabad, Bangalore, Chennai, Hyderabad, Cochin, Delhi and Kolkata. It has full-scale operations in Sri Lanka and Bangladesh with Regional offices and Design Showrooms in both the countries; and has also spread its operations to other regions of South Asia including Nepal, Bhutan and Maldives.

Hafele's design showrooms are hubs of international home interior trends and cutting-edge designs presented in a world-class environment, where customers can see home solutions in their inherent applications. These showrooms function as a one-stop-shop for all home interior and improvement needs - from providing in-depth technical advice to kitchen and wardrobe designing services through a team of experts stationed at the showroom.

Hafele India services its customers with a base of 1500 employees, a well-networked Franchise base of over 180 Partners along with over 500+ direct dealers and 90+ distributors who in turn cater to over 12000+ sub dealers. The subsidiary has a sophisticated Logistics centre in Mumbai along with distribution centres in Delhi, Bangalore, Kolkata and Colombo respectively.

Experience More with
Service+

Our customers' working environment is becoming increasingly complex and their market is becoming ever more demanding. This drives our motivation to do everything in our power to help our customers be successful. And to demonstrate that Hafele is the right partner in these challenging times, we want to accompany our customers throughout their entire business process and give them added strength in every phase of their business. We don't just want to sell our products, we also want to provide the highest level of service.

We have now divided our services into two categories: **Standard Services** which we provide to our customers as a matter of course when they choose our products. For example, a high availability of our goods and punctual delivery. And then there is **Service+** which constitutes of services that give our customers considerable added value in terms of building expertise, increasing productivity or providing individual customised solutions. These services require a considerable amount of time and

effort to develop and implement and are designed to enable our customers to regard them as worthwhile investments.

The aim is to create solid long-term foundations for our comprehensive service promise and to make Hafele an indispensable partner for our customers. The focus here lies not so much on us and on what we do – but rather, on the benefits derived by our customers. We want to **empower** them with opportunities to develop and expand their skills – both as masters of their trade and as entrepreneurs. We want to support them in the planning and realisation of their projects and relieve them of as much work as possible, thereby providing them with a **helping hand** to use their most valuable resource – time – as efficiently as possible. And we aim to give our customers **peace of mind** and the assurance that even after the end of a successful project completion, we will continue to be there for them as a reliable partner, shouldering responsibility.

HÄFELE
APPLIANCE

The Pillars of
Service+

In order to support you as comprehensively as possible, we have assigned the Plus Services to individual stages of your work process in a total of four themed pillars. We start with the transfer of knowledge and accompany you via planning and production to installation and maintenance.

Empowering customers with

Service+ Knowledge

Includes service offerings that provide inspiration and expertise to our customers about the Hafele product range. Through these, we enable our customers to use Hafele products profitably and at the same time remain at the cutting edge of technological development. One example of this is the Hafele Academy, which imparts knowledge about complex products and new technologies to our customers via seminars and trainings.

Providing a helping hand to customers with

Service+ Planning & Customised

Includes service offerings like space, design planning and customisations that make life easier for our customers and support their design vision. An example of this is Hafele's Lighting Design Service which helps our customers curate a lighting plan, following a customised approach, that enhances and brings out the true functionality of the interior space as per requirement.

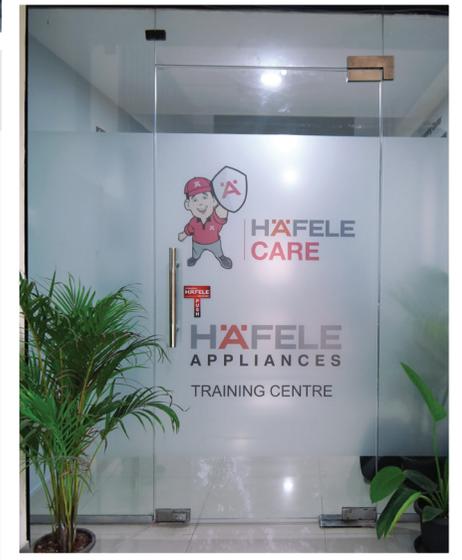

Lending a "Peace-of-mind" experience through

Service+ Assist

Includes service offerings that provide support and assistance to our customers, whether digitally or on site. An example of this is the complete assembly and installation service for more complex and maintenance-intensive products done by our Meister certified and trained technicians.

Service+
Knowledge

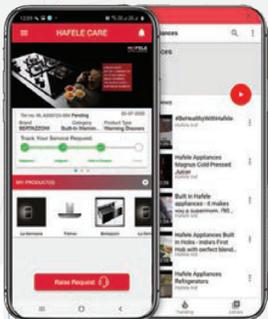

Service+
Assist

Service Partner Network

From the very start Hafele has kept a strong focus on strengthening our overall service offering for the Appliances business. Over the years, we have appointed Service Franchisees across the country, in addition to our trained and certified team of in-house service engineers. Today, our service network includes a certified team of in-house engineers along with over **126 service partners** across the country housing **370+ service technicians** who work tirelessly to meet every service request. Under the Service+ Assist initiative, this team takes care of all post-purchase service requests from installation of appliances to conducting demonstrations as well as resolving complaints, if any. In addition to this, our Hafele Care App makes life easy for customers who can book services, raise inquiries or even get product information on the go.

As we continue to strengthen our service network to ensure easy and quick access to our different services, our on-going focus also remains to provide skilled and top of the line service to all customers through robust training of all our service franchisee engineers. A step was taken in this direction by deploying training centres across the country for a nation-wide penetration. The Appliances Training Centres provide state of the art technical trainings to all service franchisee personnel associated with Hafele, thereby strengthening our core objective under Service+ Knowledge of empowering our service network. Equipped with all types of Products to encourage practical training sessions, these centres will focus on enhancing the knowledge of service engineers through a realistic and tangible experience.

KLARA HIGHLINE®

THE KITCHEN MACHINES

KLARA HIGHLINE PRO
(GOTHIC GREY)
Article No.: **535.43.137**

- Multi-functional machine with 8+ in-built functions (dough kneader, whisker, beater, chopper, grater, mixer and blender) for every kind of food preparation needs.
- Powerful Aluminium Die-cast Body for heavy duty performance and stability.
- Planetary motion* with 60 touchpoints to ensure that the mixing attachments rotate efficiently around the bowl providing thorough mixing without manual intervention.
- Sleek touch control pad.
- 5.5 L Stainless Steel bowl, 1.5 L blending jar and 200ml dry grinding jar.
- Powerful 1000W motor.
- 7 speed settings + pulse.
- Warranty: 2 years.

KLARA HIGHLINE
(MURPHY RED)
Article No.: **535.43.275**

- Multi-functional machine with 8+ in-built functions (dough kneader, whisker, beater, chopper, grater, mixer, and blender) for every kind of food preparation needs.
- Powerful Aluminium Die-cast Body for heavy duty performance and stability.
- Planetary motion* with 60 touchpoints to ensure that the mixing attachments rotate efficiently around the bowl providing thorough mixing without manual intervention.
- 5.5 L Stainless Steel bowl, 1.5L blending jar and 200ml dry grinding jar.
- Powerful 1000W motor.
- 5 Speed settings + pulse.
- Warranty: 2 years.

KLARA HIGHLINE
(GOTHIC GREY)
Article No.: **535.43.274**

- Multi-functional machine with 8+ in-built functions (dough kneader, whisker, beater, chopper, grater, mixer, and blender) for every kind of food preparation needs.

- Powerful 1000W motor.
- 5 Speed settings + pulse.
- Warranty: 2 years.

*Rotary mixing along the axis and circumference for superior and uniform blending even of small quantities.

THE KITCHEN MACHINES

VIOLA PRO
(GOTHIC GREY)
Article No.: **535.43.273**

- Multi-functional machine with 6+ in-built functions (dough kneader, whisker, beater, chopper, grater).
- Powerful Aluminium die-cast body for heavy duty performance and stability.
- Planetary motion* with 60 touchpoints to ensure that the mixing attachments rotate efficiently around the bowl providing thorough mixing without manual intervention.
- 6.5L Stainless Steel bowl with cover.
- Powerful 1300W motor.
- 6 speed settings + pulse.
- Warranty: 2 years.

GLAMLIN PRO
(RED)
Article No.: **535.43.136**

- Multi-functional machine with in-built functions (dough kneader, whisker and beater).
- Planetary motion* to ensure efficient kneading, whipping and whisking functions.
- 4L Stainless Steel bowl.
- Powerful 800W motor.
- 6 speed settings + pulse.
- Warranty: 2 years.

*Rotary mixing along the axis and circumference for superior and uniform blending even of small quantities.

PROFESSIONAL BLENDERS

CUATRO 1000
VACUUM MIXER & GRINDER
Article No.: **535.43.282**

- Vacuotechnology removes the air and oxygen stops the subsequent depletion of micro-nutrients to enhance the shelf life and nutrient content of the blended food.
- The AdapTech display and control helps you select any of the pre-set functions with just a tap of your finger.
- 1000 W motor, 1 L Tritan blending jar, 150 grams Tritan grinding jar, Noise reduction cover.
- Warranty: 2 years.

CHROMATIC
HAND BLENDER
Article No.: **535.43.290**

- Stainless Steel blade and body.
- Power: 600W.
- Speed: 9 Stepless variable speed functions with rapid turbo mode.
- Twist mechanism to lock/unlock.
- Attachable Stainless Steel balloon whisk.
- Colour: Chrome
- Warranty: 2 years.

THE COLD-PRESS JUICERS

MAGNUS
THE COLD-PRESS JUICER
Article No.: **535.43.530**

- Slow and gentle rotation with 83mm magnafeed inlet.
- Provides higher juice yield from the fruits and vegetables put into the juicer without applying heat which helps retain maximum number of nutrients, vitamins and enzymes.
- Huge MagnaFeed Inlet which accommodates whole fruits.
- SmartFlow system mixes and holds juice when using more than 2 kinds of ingredients.
- Warranty: 2 years.

MAGNUS PRIME
THE COLD-PRESS JUICER
Article No.: **535.43.532**

- Slow and gentle rotation with 100 mm magnafeed inlet.
- Provides higher juice yield from the fruits and vegetables put into the juicer without applying heat which helps retain maximum number of nutrients, vitamins and enzymes.
- Huge MagnaFeed Inlet which accommodates whole fruits.
- SmartFlow system mixes and holds juice when using more than 2 kinds of ingredients.
- Warranty: 2 years.

U-KAFFEE COFFEE MACHINES

U KAFFEE NOVA
COFFEE MACHINE
Article No.: **535.43.508**

- Countertop coffee machine with removable water tank and removable milk tank.
- Rapid thermoblock technology heating system.
- Control Type: Soft touch.
- Water tank capacity: 1.6 L
- Milk tank capacity: 500 ml
- The optimal 15-bar pump pressure enhances the flavour of the coffee offering the most delectable experience.
- Material: Stainless Steel and ABS Plastic.
- Colour: Matte silver.
- Coffee types: Espresso, Cappuccino and Latte
- Additional features: Milk frothing – automatic, manual (Froth function), Clean function.
- Supplied with: Removable drip tray, Removable water tank, Measuring spoon, 2 Brewing filters, Metal funnel and Funnel handle.
- Warranty: 2 years

U-KAFFEE PLUS
COFFEE MACHINE
Article No.: **535.43.027**

- Countertop coffee machine with removable water tank and removable milk tank.
- Rapid thermoblock technology integrated into U-Kaffee Plus instantly heats up water to a precise temperature as it flows to the portafilter, reducing much of the heat-up time.
- Control type: Analogue temperature dial with soft tactile buttons.
- Water tank capacity: 1.5 L
- Milk tank capacity: 600 ml
- The optimal 15-bar pump pressure enhances the flavour of the coffee offering the most delectable experience.
- Seamless milk frothing system.
- Material: Stainless Steel and ABS plastic.
- Colour: Matte black.
- Supplied with: Extendable milk froth tube, Removable drip tray and plate, Cup warming plate, Small cup tray pull-out.
- Warranty: 2 years

U-KAFFEE ESPRESSO
COFFEE MACHINE
Article No.: **535.43.024**

- Rapid thermoblock technology instantly heats up water to a precise temperature as it flows through it reducing much of the heat-up time.
- Pre-Brew Process uses small amounts of water to saturate the coffee grounds preparing them for a more even extraction.
- Water tank capacity: 1L
- The optimal 15-bar pump pressure enhances the flavour of the coffee offering the most delectable experience.
- Precise Steam Wand.
- Automatic Flow Stop.
- Efficient Warming Plate.
- Endless brewing possibilities - Espresso, Doppio, Americano, Cortado, Cappuccino, Macchiato and Mocha.
- Warranty: 2 years

NOIL

AIR FRYER

NOIL STEAM
AIR FRYER
Article No.: **535.43.873**

- 360° cooking - aerodynamically designed fry basket enables uniform heat distribution for even cooking.
- Steam with rapid air technology and dual heating element keeps food tender on the inside and crisp on the outside.
- Convenient cooking with 8 one touch preset programmes.
- Precise control with digital time and temperature adjustment.
- Shake Reminder reminds you to give the basket a shake to ensure even cooking on all sides.
- Easy monitoring of cooking process.
- Air fry basket capacity: 6.3L (Net), 6.7L (Gross).
- Adjustable temperature range: 80°C to 200°C.
- Keep warm function keeps your food at the ideal temperature for a set period.
- Black finish with ABS plastic main housing.
- Input voltage: 220 - 240 VAC, 50Hz.
- Power consumption at rated voltage: 1800W.
- Water tank capacity: 100ml
- Warranty: 2 years

NOIL
AIR FRYER
Article No.: **535.43.718**

- 360° cooking - aerodynamically designed fry basket enables uniform heat distribution for even cooking.
- Rapid air technology adjusts the temperature automatically to make sure that the food is crisp on the outside.
- Keep warm function keeps your food at the ideal temperature for a set period.
- Convenient cooking with 8 one touch preset programmes.
- Shake reminder reminds you to give the basket a shake to ensure even cooking on all sides.
- Air fryer basket capacity: 5L (Net), 6.3L (Gross).
- Power consumption at rated voltage: 1700W.
- Warranty: 2 years

NOIL LITE
AIR FRYER
Article No.: **535.43.872**

- 360° cooking - aerodynamically designed fry basket enables uniform heat distribution for even cooking.
- Rapid air technology adjusts the temperature automatically to make sure that the food is crisp on the outside.
- Air fry basket capacity: 3.5L (Net), 4.5L (Gross).
- Adjustable temperature range: 80°C to 200°C.
- Convenient cooking with 8 one touch preset programmes.
- Keep warm function keeps your food at the ideal temperature for a set period.
- Shake reminder reminds you to give the basket a shake to ensure even cooking on all sides.
- Temperature adjustment steps: ±5°C
- Brushed steel finish
- Main housing material: ABS Plastic
- Basket material: Stainless Steel with PFOA free water
- Input voltage: 220 - 240 VAC, 50Hz
- Power consumption at rated voltage: 1500W
- Warranty: 2 years

ELECTRIC KETTLES

QUEEN KETTLE
Article No.: **535.43.541**

- Volume: 1.6 L, Power: 2150W.
- Double-lined Stainless Steel and plastic body.
- Equipped with UK Strix Thermostat Control (world's leading thermostat) with a concealed heating system for precise temperature control.
- Boil dry protection and external water-level indicator.
- Warranty: 2 years

DOME PLUS KETTLE
OPAL (METALLIC RED)
Article No.: **535.43.546**

- Volume: 1.7 L, Power: 2200W.
- Food grade Stainless Steel inner and outer body.
- Equipped with UK Strix Thermostat Control (world's leading thermostat) with a concealed heating system for precise temperature control.
- Boil dry protection and external water-level indicator.
- Warranty: 2 years

DOME PLUS KETTLE
JADE (MATT GREY)
Article No.: **535.43.547**

- Volume: 1.7 L, Power: 2200W.
- Food grade Stainless Steel inner and outer body.
- Equipped with UK Strix Thermostat Control (world's leading thermostat) with a concealed heating system for precise temperature control.
- Boil dry protection and external water-level indicator.
- Warranty: 2 years

THE ELECTRIC TOASTERS

AMBER 2 SLOT TOASTER
- OPAL (METALLIC RED)
Article No.: **535.43.550**

- 3 function buttons: Re-heat / Stop / Defrost.
- Adjustable browning setting: 7 levels.
- Stainless Steel housing.
- Power: 930W.
- Removable crumb tray.
- Warranty: 2 years.

AMBER 2 SLOT TOASTER
- JADE (MATT GREY)
Article No.: **535.43.551**

- 3 function buttons: Re-heat / Stop / Defrost.
- Adjustable browning setting: 7 levels.
- Stainless Steel housing.
- Power: 930W.
- Removable crumb tray.
- Warranty: 2 years.

AMBER 4 SLOT TOASTER
Article No.: **535.43.154**

- 3 function buttons: Re-heat / Stop / Defrost.
- Dual-control system: Individual system for 2+2 Slots.
- Adjustable browning setting: 7 levels.
- Stainless Steel Housing.
- Power: 1350 - 1600W.
- Removable crumb tray.
- Warranty: 2 years.

SANDWICH GRILLER

GRILLA
Sandwich Griller
Article No.: **535.43.685**

- 180° openable non-stick grill plate.
- Temperature setting: Min 100 -120° C, Max 230 ± 20° C.
- Power - 2000W.
- Detachable oil-drip collector tray.
- Power indicator.
- Adjustable hinge.
- Warranty: 2 years.
