

Awards & Certifications

Most certified company in the water purification space

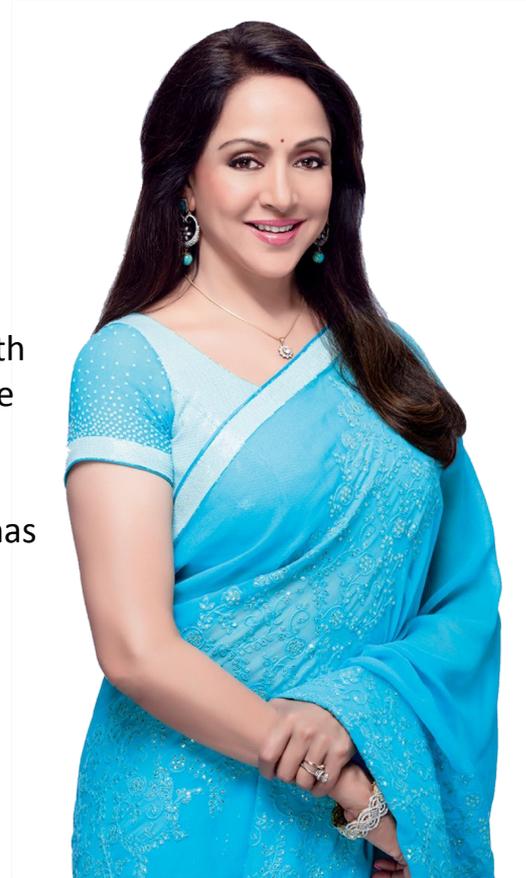

Multiple awards a testimony to global acceptance of KENT products

About The Company

- KENT RO Systems Limited is a 21st century healthcare products company with a vision to make the world a healthy and a happy place. Pioneers in bringing the revolutionary Reverse Osmosis (RO) technology to India, KENT started its operations from Noida, India in 1999.
- Over the years, it has evolved as a market leader providing technologically advanced healthcare products ranging from Water Purifiers, Air Purifiers, Vegetable and Fruit Purifiers to Water Softeners. It has become synonymous with offering purity and is known for its robustness in technological performance and innovative designs enhancing quality of everyday living.
- KENT is ISO 9001:2008 certified and has been at the forefront of innovation. It has grown to be a strong organization with offices across India and most importantly, millions of satisfied customers to its credit worldwide.
- With a purpose to give good health to one and all, KENT is the best guardian of your family's health!

KENT Ultra Storage (111042)

UV+UF

Features

- UV Water Purifier
- High purification capacity of 1 litre/minute or 60L/hr.
- Double purification by UV+UF makes water 100% pure
- Suitable for use where inlet water, like tap or municipal water, have low TDS
- Filter change alarm for enhanced safety
- Storage capacity of 8 litres

| Product Code | MRP |
|--------------|------|
| 111042 | 9500 |

KENT Maxx (111013)

UV+UF

Features

- ❑ Double Purification first by UV +UF
- ❑ High purification capacity of 1 litre/minute or 60L/hr.
- ❑ UV disinfection in tank for absolute purification
- ❑ Strong 11W UV purification
- ❑ Compact design which takes less space for installation
- ❑ Storage capacity of 7 litres

| Product Code | MRP |
|--------------|-------|
| 111013 | 10500 |

KENT Smart UV (111138)

UV+UF

Features

- It uses a combination of Inline Sediment, Inline Carbon, UV chamber and Post Carbon for additional protection from bacteria and to make your drinking water pure and healthy
- High purification capacity of 1 litre/minute or 60L/hr.
- It is suitable for usage where the inlet water like tap or municipal water has low TDS (Total Dissolved Solids).
- Strong 11W UV purification
- Compact design which takes less space for installation

| Product Code | MRP |
|--------------|------|
| 111138 | 9000 |

- *GRAVITY WATER
PURIFIERS*

KENT Gold (111014)

Gravity based UF

Features

- Gravity-based water purifier based on superior UF technology
- High purification capacity of 20 L/hr.
- Has Activated Carbon Filter that facilitates better disinfection of water and make the water 100% safe and pure for consumption
- Elegant table-top design that can be placed on any flat surface

| Product Code | MRP |
|--------------|------|
| 111014 | 3200 |

Gravity based UF

Features

- Gravity-based water purifier based on superior UF technology
- Filtration capacity of 0.31 litres per minute
- High storage capacity that can store 10 L of Purified water and 10 L of raw water
- Has Activated Carbon Filter that make the water 100% safe and pure for consumption
- Elegant table-top design that can be placed on any flat surface

| Product Code | MRP |
|--------------|------|
| 111015 | 3300 |

KENT Gold Optima (111016)

Gravity based UF

Features

- Gravity-based water purifier based on superior UF technology
- Filtration capacity of 0.31 litres per minute
- Suitable for use where inlet water, like tap or municipal water, have low TDS
- Non-electric and chemical-free purification
- Elegant table-top design that can be placed on any flat surface

| Product Code | MRP |

| 111016 | 1900 |

World's Best RO Water
Purifiers Protect your
Family with the Purest
Drinking Water

KENT Sapphire

111165

KENT
Mineral RO™
Water Purifiers

NEW

- New RO with Modern design & stylish tap for water dispensing
- Beautifully designed with a harmonious blend of aesthetics and functionality
- Enhance the pH of the purified water up to 9.5
- UV LED protection in storage tank
- High purification capacity of 20 L/hr.
- 8 L storage capacity

RO + UF + Inline UV + Alkaline
TDS Control + UV LED in Tank

MRP: 25,000

KENT Grand Plus

- Largest selling RO Purifier
- High purification capacity of 20 L/hr.
- UV LED protection in storage tank
- Computer controlled with filter change alarm
- 9 L storage capacity

**RO + UF + UV + TDS Control +
UV in Tank**

MRP: 25,500

111099

KENT Grand Plus Black

- Largest selling RO
- High purification capacity of 20 L/hr.
- UV LED protection in storage tank
- Computer controlled with filter change alarm
- 9 L storage capacity

RO + UF + UV + TDS Control +
UV in Tank

MRP: 25,500

111099B

KENT Grand Star

NEW UPDATE

- **Now with the Goodness of Alkaline & Copper**
- **Digital Display of minerals & purity**
- **UV LED protection in storage tank**
- **High purification capacity of 20 L/hr.**
- **9 L storage capacity**

**RO + UF + UV + Alkaline + Copper + TDS
Control + UV in Tank + Digital Display**

MRP: 28,000

111101

KENT Grand Star Black

NEW UPDATE

- High purification capacity of 20 L/hr.
- Now with the Goodness of Alkaline & Copper
- Digital Display of minerals & purity
- UV LED protection in storage tank
- 9 L storage capacity

RO + UF + UV + Alkaline + Copper + TDS
Control + UV in Tank + Digital Display

MRP: 28,000

111101B

KENT Pearl Star - Alkaline + Copper

NEW UPDATE

- Now with the Goodness of Alkaline & Copper
- Digital Display of minerals & Purity
- Detachable tank for easy cleaning
- High purification capacity of 20 L/hr
- 11 L storage capacity

**RO + UF + UV + Alkaline + Copper + TDS
Control + Digital Display**

MRP: 28,000

111118

KENT Elegant

- Mineral saving technology retains essential minerals
- Automatic operation with auto-on and auto-off function
- High purification capacity of 15 L/hr.
- 8 L storage capacity

RO + UF + TDS Control +
UV in
Tank

MRP: 23,500

111097

KENT Crystal Plus - Alkaline

- Enhance the pH of the purified water up to 9.5
- UV LED protection in storage tank
- High purification capacity of 20 L/hr.
- 11 L storage capacity

RO + UF + UV + Alkaline + TDS Control +
UV in
Tank

MRP: 26,500

111121

KENT Crown Plus – Copper Black

NEW UPDATE

- Now with the Goodness of Copper
- UV LED protection in storage tank
- Computer controlled with filter change alarm
- High purification capacity of 20 L/hr.
- 11 L storage capacity

RO + UF + UV + Copper +
TDS Control + UV in
Tank

MRP: 26,500

111154B

KENT Prime Star

RO + UF + UV + Alkaline + Copper +
TDS Control + UV in Tank + Digital Display

NEW UPDATE

- Now with the Goodness of Alkaline & Copper
- Digital Display of minerals & Purity
- UV LED protection in storage tank
- High purification capacity of 20 L/hr.
- 9 L storage capacity

MRP: 28,000

111100

KENT Super Plus

- High water recovery with Zero Water Wastage Technology
- High purification capacity of 20 L/hr.
- Computer controlled with filter change alarm
- 11 L storage capacity

RO + UF + TDS Control

MRP: 22,500

111005

KENT Pride Plus

- High water recovery with Zero Water Wastage Technology
- UV LED protection in storage tank
- Computer controlled with filter change alarm
- High purification capacity of 20 L/hr.
- 11 L storage capacity

RO + UF + TDS Control + UV in Tank

MRP: 23,500

111067

KENT Sterling Star - Alkaline + Copper

NEW UPDATE

- Now with the Goodness of Alkaline & Copper
- Digital Display of minerals & Purity
- Fully automatic operation with auto-on/off
- Under-the-counter with hydrostatic inbuilt 6 L storage tank
- High purification capacity 25 L/hr

RO + UF + UV + Alkaline + Copper +
TDS Control + Digital Display

MRP: 28,000

111139

KENT Excell Plus

- High purification capacity of 15 L/hr.
- Equipped with hydrostatic tank for water storage
- 7 L storage capacity

RO + UF + UV + TDS Control

MRP: 26,500

111003

KENT Elite Star

**RO + UF + UV + TDS Control +
Digital Display**

- High purification capacity of 50 L/hr.
- Digital Display of Purity
- High capacity SMPS for over-voltage protection
- Food-grade, non-breakable, ABS plastic construction
- Inbuilt auto-flushing system

MRP: 60,500

111140

KENT Elite 2+

- High purification capacity of 100 L/hr.
- Fully automatic operation with auto-on/off
- Installation before supply line to water coolers
- Stainless-steel construction for a corrosion-free lifespan

RO + UF + UV + TDS Control

MRP: 95,000

111079

KENT Galaxy

- Multiple purification process of RO+UF+TDS Controller
- High purification capacity of 40 L/hr It is a multi-functional machine which supplies hot, cold and normal water to fulfill diverse needs Storage capacity of 9 L (Cold - 4L, Normal- 4L & Hot – 1L)
- TDS controller to maintain essential natural minerals in purified water
- Max duty cycle per day – 200 LPD Commercial RO Water Purifier Ideal for Office Space

RO + UF + UV + TDS Control

MRP: 68,500

111160

KENT Perk

RO + UF + UV + TDS Control

- Multiple purification process of RO+UF+TDS Controller High purification capacity of 40 L/hr Storage capacity of 20L (Cold - 7L,Normal- 13L)
- TDS controller to maintain essential natural minerals in purified water Max duty cycle per day – 200 LPD
- Intelligent Controls-maintains the water temperature from 7-17 degree C Commercial RO Water Purifier Ideal for Office Space

MRP: 66,500
