SUSTAINABILITY

At Clay Craft, we understand we have a responsibility to preserve and protect the environment. By creating durable drinkware, every fill and use of **VACBOTT** products means individuals are reducing single-use plastic and household waste. We are continually working to make the creation, distribution, and disposal of our products as clean and earth friendly as possible.

ONE BOTTLE AT A TIME

Everyone knows they should be drinking more water. Dehydration causes weight loss, zaps your energy and impacts your health. It's a problem for many people. With **VACBOTT** we have crafted a solution to all of these problems. Your water is always with you, tastes better and keeps you hydrated.
