Die-cast Cookware

Die-cast cookware is premium since it is more complex to fabricate. The process creates special molecular structures giving extra strength to the body. Beautiful shapes, in-built handles that never become loose, and a body that never gets deformed, better heat retention and ability to hold non-stick coating more firmly are some unique features of die-cast cookware.

Pressed & Forged Cookware

Wonderchef Pressed & Forged Cookware is crafted out of cold rolled sheets of 99.9% pure grade Virgin aluminium. The cookware comes with proprietary Meta-Tuff coating and specially moulded soft touch handles for ergonomic ease. The non-stick coating is food safe, free from PFOA and other harmful substances. It is applied using robotic processes for even distribution, and baked at high temperatures for a longer period of time than normal pans, so it lasts longer.

• Highly Durable - The excellent chemical properties of anodized aluminum make it sturdy and long lasting. • The surface is much harder than steel, is durable and resistant to chips and cracks.

Stainless Steel Cookware

Wonderchef stainless steel cookware is made only from 304 quality stainless steel which is anti-rust and of highest 18/10 grade. These steel pans last you forever and carry a warranty of 25 years against rusting, cracking or material defect. Steel is a poor conductor of heat. To overcome this, our pans are made in 3-ply steel or have 3-ply bottom wherein a layer of high conductivity aluminium is sandwiched between the steel layers for better cooking and to prevent food from burning.

Kitchen Appliances Nutri-Blend

Nutri-blend is India's best-selling mixer-grinder-blender thanks to its powerful motor, beautiful looks, unbreakable transparent jars and awesome performance. It is a complete system – start with the 2 jars, and add the large mixing jar, the chopper, juicer & food processor attachments separately as your needs evolve. Get ready to make smoothies, finely ground masalas, tangy chutneys, chop vegetables and so much more. Nutri-blend family starts with 400W to BOLT with 600W & Thunder in 1000W for different needs of every home maker.

India's favorite Mixer-Grinder

This all-purpose Mixer-Grinder extracts every drop of immunity-enhancing anti-oxidants, pain relieving omega 3s, proteins, vitamins & minerals from your food and delivers it in the most digestible form.

I use Nutri-blend everyday to stay healthy and fit.
